Project Milestone 2: Relational Model and Data

Date: 2/24/2022

For now, we only import data for the Cars table and the Companies table from our data set, we will add more data to the other tables during our development and testing. The other tables are not relative to our source data set.

Create table sql:

https://github.com/BingfanTian96/NEU_CS5200_CarGo_Group5/blob/main/PM2/cargo_create_tables.sql

Insert data sql:

https://github.com/BingfanTian96/NEU_CS5200_CarGo_Group5/blob/main/PM2/cargo_insert_data.sql
